MIDC starts augmentation of internal pipelines connecting CETP

By Tutu

NAVI MUMBAI: The Taloja MIDC has started laying of 52km long pipeline across its area to transport the effluents to the CETP. The Rs 45 cr project HDPE pipeline is a replacement of the existing pipeline known as remodelling of effluent collection system. The MIDC is divided on two parts. 42km long pipeline laying work is complete. This will augment the capacity of transporting more effluent

The MIDC's earlier pipeline was built over 30 years ago with stoneware, pre stage concrete etc. and has been deteriorated. Now MIDC is using the HDPE pipeline which have more resistant to chemicals. The pipeline will join the CETP. The newly laid pipeline will offer resistance to both acidic and alkaline type of chemicals.

The MIDC superintending engineer Rajesh Zanzad said,

PCMC forms squad to control illegal construction

ByTutu
NAVI MUMBAI: The PCMC has formed a twelve member squad for the four zones to control encroachment and illegal construction across its jurisdiction. Each zone will have three officers, including a designated officer, a beat inspector cum superintendent and a regional officer cum engineer are assigned with the task.

The four zones are based upon population each hovering around 1.25 lakhs covering all the twenty wards of PCMC. In an internal order to the officials the PCMC has asked them to taken on the illegalities. Four assistant municipal commissioners with one each head-

ing the zone. Under them one beat inspector cum superintendent and one each regional officer cum engineer are assigned with the task.

The PCMC as- sistant mu- nicipal com- missioner cum one of the designat- ed officers Ganesh Salve said, "We have availed with vehicles recently. Excavators are yet to be provided. In few cases notices have been issued by other designated officers. People have started sending complaints. Upon receipt our team

members make spot visit to verify it. If found illegal notice is issued

to them under MRTP Act with 32 days' time to remove the illegalities self."

Ganesh Salve added, "In our area around a dozen of complaints are received and verified. Soon notices will be served."

According to PCMC sources the village ar-

eas have more illegal constructions and would face the PCMC head. However, in Cidco areas the illegal constructions and encroachments though less at now will further open up once action is taken.

Zone	Ward nos	Population (in lakh)	Area

Steel Market asks vehicle owners and scrap dumpers to clean up

ByTutu
NAVI MUMBAI: The MMR Steel and Iron Market Committee, Kalamboli, has asked the owners of abandoned vehicles, scraps etc. dumped in the market to lift them within ten days. Based on the PCMC instruction to maintain cleanliness the decision was taken. Else these items will be seized and auctioned. Notices has been put up in the market.

The MMR Steel and Iron Market Committee, Kalamboli, chief executive officer Vikas Rasal said, "The PCMC has pointed out about cleanliness in the market. We are not empowered to remove all the dumped abandoned vehicles, scraps etc. Hence through the PCMC we have issued

public notice to the owners to remove their items within ten days."

Vikas Rasal added, "If these items are not lifted we will seize them and put it in auction. PCMC will help us in doing the process legal-ly."

It can be noted that various shops dealing with vehicular accessories and scraps are allegedly usurping the road space. Many allege that vehicle parts which are supposed to be removed after due procedure are not followed in

Bravo's onslaught leaves MI dazed: IPL 2018

CSK register narrow one wicket win in tourney opener

By Ashok Dhamija

Mumbai: Riding on a brilliant 68 off 30 balls, inclusive of seven sixes and three boundaries by all-rounder Dwayne Bravo, two times champions Chennai Super Kings (CSK) made a dream come back in the 11th edition of the Indian Premier League to register a thrilling one-wicket victory against defending champions Mumbai Indians (MI).

On a track that had seam movement and bounce, CSK were down in the dumps as they lost eight wickets with only 118 runs on the board, midway in to the 17th over, while chasing 166 at the Wankhede Stadium late on Saturday night. 20 year old debutant leg-spinner Mayank Markande (3/23) who came into bowl in the seventh over of the innings struck twice in as many overs, after all-rounder Hardik Pandya (3/24) who had suffered a collision with Bravo while batting, bowled through considerable pain and scalped two early wickets for the hosts. Markande trapped former Mumbai Indians opener Ambati Rayudu (22) and CSK skipper MS Dhoni (5) leg before with his deceptive googlies and latter had Deepak Chahar stumped by former Indian U-19 Indian 2016 ICC World Cup skipper Ishan Kishan for a golden duck. Needing 47 from 18 balls, the former West Indian skipper Bravo who came in at number seven, stood tall amidst the ruins. He took on MI's experienced death over specialist Mitchell McLenaghan (1/44) and Jasprit Bumrah

CSK's all-rounder Dwayne Bravo turned the match on its head with his incredible blitzkrieg, much to the bewilderment of MI players on and off field, before being dismissed by Jasprit Bumrah (Left).

(1/37) to the cleaners in the 18th and 19th overs respectively and 20 runs each of them which included five sixes. The Trinidadian batsmen however was caught by MI skipper Sharma off the final ball of the penultimate over bowled by pacer Bumrah. Needing seven off the final over, an injured Kedar Kadhav (24 no) who suffered a hamstring problem early in the innings and went off the field for treatment, latter dug deep in to his reserves, and went down on his right knee to heave the ball over fine leg boundary, off left arm pacer Mustafizur Rahama (1/39) to ensure that the scores were tied. He followed it up with a cover drive to the fence to end the match on a winning note with a ball to

spare, much to the delight of his team mates and the 'Canary Yellow' brigade who were outnumbered by thousands of vociferous home fans.

Earlier put into bat the men-in-blue hosts were struggling at 20 for 2 after openers Evin Lewis (0) and skipper Rohit Sharma (15) were dismissed cheaply. Debutant Lewis who was trapped by pacer Deepak Chahar (1/14) used the DRS, the first in the IPL's history unsuccessfully. Local boy Suryakumar Yadav and attacking batsman Ishan Kishan rescued the Mumbai Indians, through a 78-run partnership for the third wicket. Yadav (43) who opened his account with a sweetly timed square drive, latter deposited Shane Watson (2/29) into the stands at

midwicket with disdain, before scoring a hat-trick of boundaries off Bravo. He was however dismissed by Watson in the 13th over. South paw Kishan (40) used his feet well even against Chahar and took a strong liking for South African leg-spinner Imran Tahir (1/23), whom he hit for 4, 6, 4 and collected a total of 17 runs in the eleventh over before falling victim to the same bowler in the 15th over. Pandya brothers Krunal (41 n.o.) and Hardik (22 n.o.) latter put on a crucial unbeaten 52 runs stand for the fifth wicket off only 32 balls despite Bravo's (0/25) crucial spell in the death. He conceded only 7 runs bowling the 18th and 20th overs of the innings and deceived

both the set batsman with his brilliant variation in speed interspersed with toe crushing yorkers Mumbai Indians in the end posted a challenging target 165 for 4.

"It is always good to start well and to beat a team like Mumbai Indians, who had given me the first opportunity in the IPL in their own backyard. This is one of my best knocks of my career so far and is dedicated to for our fans. They have waited for this moment for two years. This was an away game but there were so many CSK fans out here. Hopefully, I can continue the same form and same vein and build on this momentum. It has been a special game for all of us and we deserved to win" said an elated Bravo who was

nominated the Man of the Match.

Interesting Stats:

1000 runs, 100 wickets and 50 sixes: Dwayne Bravo became first player to do so in IPL.

Highest score by a number seven batsman: Dwayne Bravo's innings of 68 runs is the highest in the IPL at this position beating 66 by his country mate Andre Russell for Kolkata Knight Riders against Kings XI Punjab at Pune in 2015.

Number of consecutive losses in opening match: Three times champions Mumbai Indians

who are known for their slow start in IPL, lost their seventh opening match in the tourney.

One-wicket win:

Chennai Super Kings became only the second team in the IPL to achieve this record. The only other such instance was when Kolkata Knight Riders defeated Kings XI Punjab at Kolkata in 2015.

Second-best figures on debut:

The rookie leg spinner from Punjab Mayank Markande's figure of 3-23 is the second-best by a Mumbai Indians bowler on IPL debut. Lasith Malinga had taken 3 for 15, also against Chennai Super Kings at Cape Town in 2009. (Photos by Author).

Brief Scores:

Mumbai Indians 165-4 (Suryakumar Yadav 43, Krunal Pandya 41 n.o., Ishan Kishan 40, Shane Watson 2/29) **lost to** Chennai Super Kings 169-9 in 19.5 overs (Dwayne Bravo 68, Kedar Jadhav 24 n.o., Mayank Markande 3/23, Hardik Pandya 3/24) **by 1 wicket and 1 ball to spare.**

IPL Extravaganza in action

By CK Subramaniam

IPL 10 started on a Saturday Sports Special and gained momentum on Sunday. The three matches played so far saw teams from Tamil Nadu based captains came to the fore in the first round matches. Pipe opener saw Chennai Super Kings (CSK) got the better of Mumbai Indians in a closely contested match at the Wankhede Stadium. Again, the teams led by Tamil Nadu's Ravichandran Ashwin and Dinesh Karthik led their side Kings XI Punjab and Kolkota Knight Riders respectively to victory in a very calculated way.

Mumbai Indians played into the hands of CSK as they could not score a healthy score of 180 plus batting first. Both the openers including skipper Rohit Sharma fell early and that momentum was lost after winning the toss. Despite scores of 40 Ishan Kishan, S. Yadav, and Krunal Pandya failed to boost the side's total. Both foreign recruits, Shane Watson and Bravo

bowled for CSK whereas other foreign recruit Wood was hit all over the park in the 4 overs quota. Mumbai Indians failed to move the score well enough in the middle overs and score of 165 was not enough for the hit and run game of cricket.

Chennai Super Kings started sedately but lost wickets at regular intervals and

Indians thought it was all over when 8th wicket fell at 118. But Bravo had other ideas and made a match of it. The Chennai team after a two year ban came out victors in Lion's own den and proved that the match can be won or lost till the last ball of a T-20 game.

Bravom who knocked 68 of 30 balls with 3 fours and 7 sixes and turned the tables in favour of the Tamil Nadu outfit. He added 41 vital runs with Jadhav and saw that the target could be achieved with a ball to spare. Tahir gave company to Jadhav to see the heave by the latter crossing the fence at an appropriate time to pave way for victory. Mumbai

the better of Delhi Daredevils at Mohali. Ashwin led the Punjab side in a most astute manner and restricted the opposition for 166 in the allotted 20 overs. But for Gambhir's slow 55, no one could cross 50 run mark. Ashwin had the measure of the Delhi batsmen and conceded 23 runs in 4 overs. Youngster Mujeeb Ur Rehman took two wickets for 28 to put breaks to dismiss to hard hitting batsmen

Ranking educational institutions is useful

The "who's who" of universities and research institutions published by the Human Resource Development Ministry, is not bad. The National Institutional Ranking Framework, 2018, assesses some of the top institutions such as the Indian Institute of Science, the Jawaharlal Nehru University, the IITs and the IIMs

To the faculty and students in many colleges, what matters is the vision of the administrative leaders and a commitment to excellence. The governing bodies should make available adequate financial and academic resources to colleges to help them improve performance.

Ranking educational and research institutes has practical uses. Students can make study choices. The ranking approach worldwide is critiqued for failing to capture the crucial metric of learning outcomes, relying instead on proxy data on faculty strength and qualifications. In the case of the NIRF the final responsibility for accuracy of data lies with the participating institution.

What is positive about the system is its emphasis on achieving measurable goals and bringing in transparency. The 2018 exercise added the disciplines of law, medicine and architecture and it hopes to cast the net wider in the future. The goal is to foster learning and scholarship.

Rankings can encourage unhealthy competition. Too few institutes see too many students vying to enter them by any means. Instead, quality in all institutes should be improved for all students getting similar standard of education and faculty

NIRF also should give say top 10 ranking in individual Engineering Disciplines or even scientific disciplines or themes like Energy or Environment. That way every institution can pick a niche area and try to excel. The institutions also can differentiate themselves more. It can help the nation if we have a "Go To" university say for pollution problem.

Thus focus should be on complete academic freedom, without the pressure and the governing bodies should make available adequate financial and academic resources to colleges, particularly the younger ones, to help them improve performance. But both these aspects are neglected and institutions suffers.

in quick time. Morris made 27 unbeaten runs to prop up the score but could not get a good partner in the end. KL Rahul took the fight to enemy's camp straightaway and made a 50 of 14 balls, the fastest IPL fifty in 10 seasons of T-20 cricket. Later on it was left Karun Nair to make a match of it and both the foreign

recruits Miller and Stoinis saw to it that the target is achieved with 7 balls to spare.

In the night game Kolkata Knight Riders of Sharrukh Khan made Royal Challengers, Bangalore toil hard for runs, as both de Villiers and Virat Kohli fell in quick succession to the wiles and guiles of Rana in his only over. He clean bowled

The demolition drive CUC Team was led by CUC Team led by P.B. Rajput, CUC (N), Sunil Chidchale, ACUC (N-III), V.K. Khadse, Assistant Designated Officer, carried out the demolition drive in spite of stiff resistance from the encroachers.

The drive was assisted by Pradeep Ti-

dar, Sr.P.I along with 15 Police Personnel of Rabale Police Station, Dhuri, PSI, CIDCO Police and Shri Nalavde, SA (CIDCO) along with security guards and MSF were also present during the demolition drive. Machineries used for the drive are 1 Poclain, 1 Truck, 1 JCB, 6 Jeeps, 1 Gas Cutter, 4 Breakers, Towing Van and 20 labours.

Kohli and that was the turning point. A score of less than 180 is not good enough while defending the total. Sunil Narine known for his economical spell of bowling made a resounding start scoring 50 of 19 balls and set the ball rolling for an early finish. He got out second, but Rana, Karthik and Russel saw to it that the target is achieved

with 4 wickets in hand. So far, the team batting second won all the three matches and set the tone for more teams to put the opposition to bat first after winning the toss. The slam bang T-20 cricket saw a resounding beginning thanks to Bravo, Rahul and Narine and the IPL extravaganza touched the nadir of the week end crowd.

Spend school vacation usefully

Summer vacation has started in schools and students have started feeling boring this time and find it difficult to spend their time usefully. Making scrap books or reading moral stories can help them to spend their time in a valuable way. Bed time stories are famous but Akbar and Birbal stories even apply for the present generation of children in a big way.

Birbal, or Raja Birbal, was a Hindu advisor in the court of the Mughal emperor, Akbar. He is mostly known in the Indian subcontinent for the folk tales which focus on his wit. Birbal was appointed by Akbar as a poet and singer in around 1556-1562.

Birbal Stories are very famous and popular in India among all ages of people. They are also called by another name Akbar-Birbal Stories. There was a Mogul Emperor in India, Akbar The Great (1542-1605).

His full name was Jalaluddin Mohammed Akbar Padshah Ghazi and he ruled India from 1560 to 1605. He himself was illiterate, but he invited several learned people in his court. Among these people, nine were very famous and were called Nav Ratna (nine jewels of the Mogul Crown) of his court. Among these nine jewels, five people were more famous - Tansen, Todarmal, Abul Fazal, Maan Singh and Birbal.

The exchanges between Akbar and Birbal have been recorded in many volumes. Many of these have become folk stories in Indian tradition. Birbal's collection of poetry published under the pen name Brahm are preserved in Bharatpur Museum, Rajasthan, India. Many courtiers were jealous with Birbal and often plotted for his downfall. There are many stories found on this issue too. There are a couple of other stories too which are of the same time and type and are as interesting as Birbal's ones.

There are many books published about Birbal Stories but the collector's edition is a treasure to preserve. One hundred wise tales of Akbar and Birbal can give the children the enjoyment of their life time during this summer vacation. Let the parents also read these stories and impart knowledge to their children to learn the moral in these stories.

Maval MP demands Kasadi river inclusion in NRCP

ByTutu

NAVI MUMBAI: The Maval MP Shrirang Barne has demanded that the Kasadi River in PCMC area be included in the national river conservation program to revive it. The Kasadi River now polluted is bothering the residents. Barne took up the issue with the Union Minister of Environment and Forest and was assured by the minister that a plan will be chalked out to invigorate the river.

The BSKP corporator Arvind Mhatre said, "I had demanded before the Maval MP Shrirang Barne stating the pollution issues of Kasadi River. The Kasadi River is polluted due to industries. Whatever water is available is of no use. Further, the polluted water leads to

spread of diseases. Hence the river should be revived."

The Maval Lok Sabha member Shrirang Barne said, "I had a meeting with the union minister of environment and forest on this issue besides handing him a demand letter. The minister has assured me to convene a meeting soon on how to proceed further. This includes providing fund

to invigorate the river."

In the letter, Shrirang Barne has demanded that the Kasadi river should be included in the national river conservation program and cleaned. It can be noted that Kasadi river pollution is one of the contentious issues in the on-going pollution battle fought between the corporator and the industry at the National Green Tribunal.

Thousands Jump To Help Someone Walk Again

By Ashok Dhamija
NAVI MUMBAI:

Around 2300 Pinkathon Women participants contributed 100 jumps in order to support Aditya Birla Health Insurance Co. Limited (ABHICL), unique campaign of #JumpForHealth to donate prosthetic leg to the under-privileged at Amphitheatre, Central Park, Sector 23, Kharghar on the occasion of World Health Day (April 7, 2018).

Speaking on the occasion of the second edition the #JumpForHealth initiative, the month long campaign, which kicked off from April 07, 2018,

Mayank Bathwal, CEO, ABHICL said, "We are committed to ensure that people live a healthy lifestyle. The #JumpForHealth campaign aims to educate people on the importance of living an active life by making exercise a part of their daily routine. Through this endeavour we aim to promote healthy living amongst individuals to lead a successful life and to make this a real movement. Through this initiative ABHI aims to create a movement that will get people up and on their feet through the power of jumping and help the under-privileged walk on their leg as part of our philanthropic activity. The month long campaign, starting from April 07, 2018, aims to donate 1000 prosthetic legs on achieving 10 million jumps in association with the Sadhu Vaswani Foundation".

Around 2300 Pinkathon participants contributed 100 jumps each while supporting ABHICL's #JumpForHealth to donate prosthetic leg to the under-privileged at Kharghar.

Milind Soman poses along with Pinkathon Mothers who along with their babies too participated in the event.

"Pinkathon is more than a Marathon. It is the seed of change and open to all first timers. The first step is taking control of your own health, respecting yourself and understanding and celebrating the value you bring to your family and society. Empowerment is not a gift of society; it is a gift you give yourself. We are happy that around 2300 participants were associated with Aditya Birla Health Insurance Co. Limited (ABHICL), unique campaign of #JumpForHealth today, which aims to donate prosthetic leg to the under-privi-

leged" said Milind Soman, former Indian Super model, actor, film producer & fitness promoter. **How to participate in the Jump For Health campaign:**

- Take a video of yourself or your friends, family or colleagues jumping together
- Upload it on Facebook/Instagram/Twitter with the hashtags #JumpForHealth and #ABCHealthInsurance with the count of jumps.
- Nominate 3 people by tagging them

About Pinkathon:
The brain child of Milind Soman and

Reema Sanghavi, it's more than a Marathon. It is the beginning of a movement carried forward by a growing community of empowered women across India, who share a belief that a healthy family, a healthy nation and a healthy world begins with empowered women. The run held at Kharghar was dedicated to all the first-time runners who want to run and stay Fit and was held over a distance of 5 km, 10 km. In addition for Mother's a 1 km Babywearing walk too was organised on the occasion.
